India is the ultimate land of contrasts and our Indian Adventure challenge lets you experience its amazing sights and sounds for yourself! Your adventure starts in Ladakh, an enchanting destination, where you will have the chance to explore spectacular mountain scenery and immerse yourself in a culture rich with Buddhist spirituality and tradition. You will then get the opportunity to volunteer in communities devastated by flash flooding in 2010, helping them get back on their feet and build for the future. The adventure finishes with a tour of some of India's most famous sites, including the stunning Taj Mahal.
