This Challenge gives you a unique experience of trekking, volunteering and exploring one of the most amazing and spectacular places in the world. Trek the Crater Highlands region where the volcanic landscape will simply take your breath away, not to mention, give you a once in a life time African trekking experience. However, the most worthwhile part of this challenge is the chance to volunteer in local Tanzanian communities, where you can make a real difference to the lives of underprivileged children. The challenge also includes a well deserved relaxing post-trek visit to the beautiful Spice Islands, Zanzibar.
