Our Machu Picchu expedition takes us deep into the heart of the mighty ancient empire of the Incas. Trek along the Salkantay route, which offers a spectacular alternative to the oversubscribed Inca Trail, as we move off the beaten trail and away from the crowds the breathtaking mountain passes and remote villages truly will take your breath away. Finally your Machu Picchu trek reaches the mysterious ruins of the amazing lost Inca citadel, which are guaranteed to leave you spellbound. All this before contributing to traditional village communities in the Sacred Valley.
